This letter is being filed in response to the letter from the Federal Election Commission (the Commission) dated February 20, 2003 with respect to the amended 12 Day Pre-General Report (10/1/02-10/16/02) filed by the Sears Political Action Committee (the Committee). In the amendment, the Committee reported an additional \$12,007.61 in receipts during the period covered by the report. These receipts were inadvertently omitted in the original report due to a technical problem in the transmission of the data from the payroll department. The omission was discovered in the process of preparing the Committee's 30 Day Post-General Report (10/17/02-11/25/02). Immediately upon discovering the omission and resolving the technical problems, Sears filed the amendment with the Commission disclosing the additional receipts. □
